Outstanding Citizens and Good Neighbors

Outstanding Citizen Award

Presented to

William E. Bartelt

SERVICE TO THE COMMUNITY
2012

Every year, the Town of Newburgh presents two awards. An award for outstanding citizen and an award for good neighbor. The outstanding citizen award is presented to an individual

who has volunteered their time to help their neighborhoods, clubs, and/or the community in specific ways. The good neighbor award is presented to a group or organization that excels in their efforts to promote Newburgh and its citizens.

The 2012 Outstanding Citizen Award was presented to Bill Bartelt at the January 23, 2013 Council meeting. Mr. Bartelt was chosen as the 2012 recipient due to his diligent work and involvement with the Newburgh Museum.

The 2012 Good Neighbor award was presented to the Museum Foundation Board. Eleven (11) of the fourteen (14) board members were present at the January 23, 2013 Council meeting to accept the award.

New Officer Sworn In.....

Newburgh's newest Police Officer, Jeremy McCraey, was sworn in at the Metropolitan Police Commission meeting on Monday, February 4, 2013. Jeremy is a native of Evansville and a graduate of North High School.

In less than 24 hours with the department, Jeremy aided in a crucial investigation resulting in an arrest.

The Town appreciates his hardwork and commitment.

AROUND THE TOWN...

Castle High School Prom made the Riverfront in Downtown Newburgh a popular place to be on April 6th. We hope some of you were able to enjoy this large group of perfectly dressed young men and

The Rivertown Trail 5K Race Committee purchased a new John Deere Gator for use on the Rivertown Trail and around the Town. Street Department uses the Gator on a daily basis to keep the trail and Town well maintained.

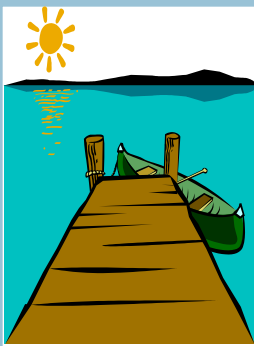

Lockmaster Cottages

The photo to the right was given to the Town by Warrick County resident Jan Addington. While sorting through old family photos, Jan came across this photo and recognized the “houses on the hill” as being in Newburgh. She stated that through following newspaper articles on the renovations of the Lockmaster Cottages, her family was able to piece together a part of their family history. The photo was taken of Jan Addington’s mother, Doris Underhill Addington, her two sisters Nelsie Lee Underhill and Yvonne Underhill Kifer, their aunt, and their father Alvin Underhill. The photo is believed to have been taken around 1930.

The photo to the left is the Lockmaster Cottage present day. The hillside project is now complete and the Town of Newburgh has reopened both cottages. Both the East and West Cottages are available for rent at a rate of \$150.00 plus tax per night. For more information on the cottages, or to make a reservation, please contact Town Administration at 812.853.1720.

Boat Launch Permits

Boat launch permits are required for anyone launching a boat or jet ski. Daily passes for the boat launch at the Old Lock & Dam are available at the launch site for \$5.00. Season passes are available in the Clerk-Treasurer's office at Town Hall. All daily passes must be hung on the vehicle's rear view mirror or displayed on the front dash.

January 1 - March 31 \$45.00

April 1 - August 31 \$50.00

September 1 - December 31 \$30.00

All season passes expire on December 31 each year .

*Permits are required even when weather conditions prohibit the dock being in place.

For the Young at Heart....

The Newburgh Senior Center has a lot to offer the seniors in our community. Located at 529 Jefferson Street, the Senior Center is open from 9:00 am to 2:00 pm, Monday through Friday. Lunch is served daily at 11:30 am, and every month there are special events and speakers. Daily, seniors can enjoy regular events that include book club, popcorn movie matinees including classic and new release films, Bunco, computer class, bingo, knitting class, sing-a-longs, line dancing, and crafts.

All seniors are welcome, so please stop by and see what the center has to offer you.

Arts Committee

Late last year, the Town Council announced the newly formed Arts Committee to encourage bringing all forms of the arts to Newburgh.

The committee will identify all available local venues, find all existing possible host organizations, support various art forms as events and build Newburgh as a known "Arts Community". One of the top goals of the committee is to create a Newburgh Pavilion as a public Amphitheatre for use for all of the arts.

Leanna K. Hughes is chair of this committee and is looking for town residents already involved with the arts. If you are interested in serving on this committee, please contact Leanna at 858-5028.

Do You Need a Permit?

As the weather gets warmer, more of you will begin planning for work to be done around the house. Prior to beginning any construction, alteration, or repair work to your home, you may need to obtain a permit from the Town of Newburgh.

Permits are required for all work having a value of \$1,000.00 or more, for structural, electrical, heating and air conditioning, and plumbing. This includes new construction, additions or alterations to existing buildings. A permit is also required for all new construction, additions or alterations to existing roofing, siding, window replacement, accessory structures, fencing, retaining walls, swimming pools, and signage.

For more information, please call Town Hall at 812.853.1720.

What and How to Recycle

All materials for recycling must be placed inside the Allied Waste cart for collection. Place the cart facing the curbside or pavement edge within three (3) feet of the curb or edge of pavement, and a minimum of five (5) feet from parked cars, street signs, lamp posts, mailboxes, and any other permanent structure that may limit the ability of the truck to lift the cart using the automated arm.

There is no need to separate your recycling. Simply place all of your recyclables loose in the cart and close the lid.

The following items are accepted:

- ⇒ Aluminum/Bi-Metal Cans
- ⇒ Plastics #1 and #2
- ⇒ Cardboard
- ⇒ Newspaper
- ⇒ Household Mixed Paper
